TRAIL AREAS

**Sno-Park permit info (916) 324-1222 or purchase at <http://ohv.parks.ca.gov/snoparks>.*

Tahoe

BLACKWOOD CANYON

LEVEL: Intermediate to advanced
Take Highway 89 for 3 miles south of Tahoe City to the Kaspian Sno-Park on the right. Follow the road (not plowed in winter) approximately 2.5 miles, take a left across the bridge and continue up Barker Pass Road to large open areas, some steep bowls and many roads. Sno-Park permit required.*

CABIN CREEK TRAIL

LEVEL: Intermediate
A marked route follows along old logging roads and the Cabin Creek Road. Located off Highway 89 about 3 miles south of Truckee. Turn onto Cabin Creek Road, unmarked trailhead is 1 mile from highway. Limited parking. Gentle rolling slopes.

Truckee

MARTIS PEAK

LEVEL: Intermediate to advanced
Best access and limited parking about one-quarter mile north of Brockway Summit below the top of Highway 267 on the Truckee side. No groomed trails, but many old lumber roads exist. A rider can go from Highway 267 over to Glenshire area in Truckee, or to the foothills of the Mount Rose area. Take a good map, as it's easy to be turned around.

LITTLE TRUCKEE SUMMIT

LEVEL: All levels
There are several marked routes with about 110 miles of groomed trails. Marked snowmobile trails follow roads to Webber Lake and Yuba Pass, Rim and Ridge Loops, Bald Ridge Loop and Treasure Mountain, Pass Creek Loop, Independence Lake Loop, Meadow Lake Loop and Jackson Meadow. Most trails are groomed. Trailhead at Jackson Meadow Road, about 14 miles north of Truckee on Highway 89.

NORTH TRUCKEE/PROSSER LAKE

LEVEL: All levels
Take Highway 89 north of Truckee. Various launching sites are along the road at Prosser Lake, Hobart Mills, etc. A large Sno-Park is about 14 miles north of Interstate 80 at Little Truckee Summit. Groomed roads lead to hundreds of miles of back country. Access to Basset's Station on Highway 49 for lunch and gas (30 miles), Mount Lola at 10,300 ft., Webber Lake trail system, ridges at Independence Lake and more. From Prosser, go east or west of Highway 89 to open areas. Sno-Park permit required.*

Mount Rose

TAHOE MEADOWS

LEVEL: Intermediate to advanced
Snowmobiling is allowed on the north side of Highway 431 only. The south side is designated for non-motorized activities (strictly enforced). To access the main snowmobile area, ride from the staging area to service road 051. Follow this road northwest to the 1,000-acre riding area. Map tahoesierrasnowmobiling.org.

Interstate 80

RATTLESNAKE

LEVEL: All levels
Steep canyon and side slopes at lower end of trail with 7 miles of groomed access. Upper elevations feature ridges and bowls. Route follows Rattlesnake Road to Magonigal Summit. Trailhead at Cisco Grove exit north of freeway. Sno-Park permit required.*

Highway 49

YUBA PASS AREA

LEVEL: All levels
The route north from Yuba Pass off Highway 49 is popular for snowmobilers, and shares the trail system with Nordic skiers for the first mile before branching off. Snowmobilers can head north on the trail and travel through Gold Lake Highway. Then, head south to Basset's or north to Gold Lake. This route offers a variety of terrain and beautiful views of the Sierra Buttes and the Lakes Basin. More than 100 miles of trails. Take Highway 89 north of Truckee, and then take Highway 49 to Yuba Pass. Trailhead parking is 6 miles east of Basset's Station. Sno-Park permit required.*
